Snap Out of It... or the apathy could kill you!

Is your Board complacent?

Is your Board too trusting?

Is the Board controlling and writing checks from their homes or not signing checks at all?

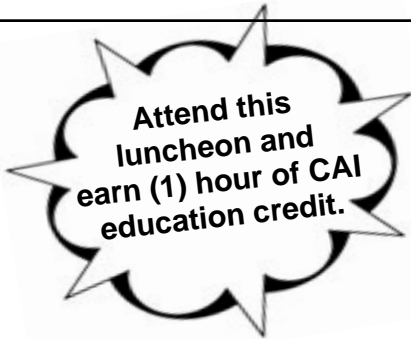

Are your board meetings filled with issues of dog poop, pool rule violations and parking problems with only three minutes of financial reporting?

Should you be paying closer attention to what's 'really' going on?

SNAP OUT OF IT & Join us for this luncheon!

Timothy Cline, CIRMS of Timothy Cline Insurance Agency, Inc. & Len Siegel, Esq. of Kulik, Gottesman, Mouton & Siegel, LLP are going to help us 'Snap Out of It' by sharing -

- Recent cases where Boards were too trusting of their Bookkeepers, Management Companies and fellow Board Members.
- What the Fidelity Bond and Directors and Officers policies cover if you sustain a loss.
- What liability does a board or mgmt. company face when HOA funds are stolen & the culprit has gone south?
- What safe guards to have in place.
- *And much more!!!*
